

# The Black Keys, Till I Get My Way

Love me,  
Don't leave me,  
Make me feel you need me,  
You kill me,  
Thrill me,  
Don't you know that I will be,  
Callin' on you everyday,  
Till I get my way?

Darlin', I wonder,  
How you pulled me under,  
You kill me,  
Thrill me,  
Don't you know that I will be,  
Callin' on you everyday,  
Till I get my way?  
Till I get my way, hey!

Darlin', remember,  
The cold, cold nights in December,  
Kill me,  
Thrill me,  
Don't you know that I will be,  
Callin' on you everyday,  
Till I get my way?  
Till I get my way,  
Till I get my way,  
Till I get my way, hey!
