The Black Keys, Till I Get My Way

Love me, Don't leave me, Make me feel you need me, You kill me, Thrill me, Don't you know that I will be, Callin' on you everyday, Till I get my way?

Darlin', I wonder, How you pulled me under, You kill me, Thrill me, Don't you know that I will be, Callin' on you everyday, Till I get my way? Till I get my way, hey!

Darlin', remember, The cold, cold nights in December, Kill me, Thrill me, Don't you know that I will be, Callin' on you everyday, Till I get my way? Till I get my way, Till I get my way, Till I get my way, Till I get my way,
