

The Black League, Alfa/Omega, the Desert Song

(Jarva et al.)

The ROAD is LONG. For it's got NO END.
The sand is BURNING and the river's DRY.
The NIGHT is LONG when my guiding light
Is DYING OUT in the FREEZING cold.

I sing: CHAOS from HARMONY
And I sing: from chaos HARMONY.

The ROAD is LONG and the SUN LONG GONE.
I can't TURN BACK so I MUST go on.
- step by step, mile after mile
While the DAY was HOT the NIGHT came so COLD
I LOST my FAITH tryin' to hold on.
- day by day, night after night

Oh, well
But mine eyes are BLINDED!
And I will NEVER FIND it!
Yet I HOPE one day
From CHAOS becomes HARMONY

(Lead - MV)

Oh, well
But mine eyes are BLINDED!
And I will NEVER FIND it!
Yet I HOPE one day.
The END and BEGINNING.
From CHAOS becomes HARMONY

Oh, well
But mine eyes are BLINDED!
And I will NEVER FIND it!
Yet I HOPE one day.
The END and BEGINNING.
From CHAOS beginning.
The END will bring forth HARMONY
