

# The Black League, To Suffer And To Smile

(Florida, Jarva et al.)

(Lead - MV)

I can remember one SUMMER so LIFE-LIKE  
So LONG AGO that it probably wasn't even REAL  
Yet a CONSTANT LONGING keeps tormenting my DREAMS

Ignorance is bliss.  
Ignorance is bliss.

All ye YOUNG ONES down there by the waterfront  
They cannot see the SKYLINE  
Turning DARK above their heads  
As the BLACK CLOUDS keep gathering around them Looming over like a  
LIFE-LONG MALEDICTION

Ignorance is bliss.

To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.

(Lead - AR Ignorance is bliss.)

To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.  
To suffer. To suffer. To suffer and to smile.

Ignorance is bliss.

I can remember what a WISE MAN once said to me:  
"I tell you to ENJOY LIFE.  
I wish I could but it's TOO LATE now!"

It's too late.
