

The Black League, Voice Of God

(Valanne, Jarva et al.)

You hear your MASTER calling like a RAGING SEA of LIES
Like a SIREN wailing in your head
- GOOD GOD don't give a DAMN!

'Tis like a LAUGH.
In the SHADOW.
Of the GALLOWS. For all night!

If you're LONGING to be FREE
To BREAK OUT of your MISERY
C'mon now, babe, CRUSH your ICONS
And then you've got to got to GET AWAY

I need it. I NEED it. Like a HOLE in the HEAD
I need it. I NEED it. Like a HOLE in the HEAD

You hear your MAKER's calling like an AVALANCHE of LIES
Like a SNIPER's BULLET through your HEART
- But GOD don't give a DAMN!

'Tis but a LAUGH.
In the SHADOW.
Of the GALLOWS. For all night!

So if you're DYING to be FREE
To BREAK AWAY from your MISERY
C'mon now, babe KILL your IDOLS
And then you've got to got to GET AWAY

I need it. I NEED it. Like a HOLE in the HEAD
I need it. I NEED it. Like a HOLE in the HEAD

(Lead - AR - MV)

Watch out 'cos here it comes.

I need it. I NEED it. Like a HOLE in the HEAD
I need it. I NEED it. Like a HOLE in the HEAD

And I think that's exactly what you'll get
