

The Black Seeds, Lets Get Down

all right uuuuu

lets get down... lets get down
lets hang out... togheter uuuu
lets get down... lets get down
and take a ride somewhere

lets get down lets get down
get away from mua sooner or later
im right here ready to go got me take away
looking for directions making making my conection
im right here ready to go got me take away
looking for directions making making my conection

lets get down lets get down
get away from mua sooner or later
im right here ready to go got me take away
looking for directions making making my conection
im right here ready to go got me take away
looking for directions making making my conection
