The Black Seeds, Lets Get Down

all right uuuuu

lets get down... lets get down lets hang out... togheter uuuu lets get down... lets get down and take a ride somewhere

lets get down lets get down get away from mua sooner or later im right here ready to go got me take away looking for directions making making my conection im right here ready to go got me take away looking for directions making making my conection

lets get down lets get down get away from mua sooner or later im right here ready to go got me take away looking for directions making making my conection im right here ready to go got me take away looking for directions making making my conection
