

# The Bouncing Souls, Born To Lose

Born to lose i've lived my life in vain  
all my dreams have always caused me pain.  
All my life i've always been so blue  
Born to lose and now i'm losing you.

Born to lose it seems so hard to bear  
How i always long to have you near  
You were all the happiness i knew  
Born to lose and now i'm losing you.

Born to lose i can't believe your gone  
It's so hard to face that empty dawn  
All my life i've always been so blue  
Born to lose and now i'm losing you

There's no use to dream of happiness  
All i see is only loneliness  
All my life i've always been so blue  
born to lose and now im losing you.
