

# The Bouncing Souls, Lamar Vannoy

This is a song about a jerk friend of ours, his name is lammar vannoy!  
Lamar vanoy!

He was only 16 and he knew he wasn't like anyone else  
Listening to his records in his room he knew  
something had to change somewhere or he would go insane  
but when some years slipped by and he still felt the same.  
people and money came and went but the only thing that stayed the same  
were the feelings he felt when those records played

he drinks til he falls down  
Oi oi oi oi, his name is Lamar Vannoy!  
Hes looking for something and  
Hes gunna find it  
Oi oi oi oi  
And his name is lammar vannoy!

Me and Lamar in NYC on the avenue  
talking about nothing much  
with a bag of brew the New York wind  
will blow and he will wears his engineer boots  
motorcycle jacket black jeans nowhere to go  
nothing to do  
so much has gone  
wrong and so much is bad but sharing  
this music with Lamar there is so  
much we have  
he drink's and think's  
about a girl who lies  
oi oi oi oi and his name is Lamar Vannoy  
he'll wake up and  
go to work with a swollen brain.  
Oi oi oi oi  
and his name is Lamar Vannoy

once again thank you all for showing up at the continental in new york city, and if you don't do anyt

he drinks til he falls down  
Oi oi oi oi, his name is Lamar Vannoy!  
Hes looking for something and  
Hes gunna find it  
Oi oi oi oi  
And his name is lammar vannoy!  
Ah-ha...
