

The Boxer Rebellion, Keep Movin

One by one I know we've seen some things
That could've torn us apart, threaten what we've been

And I've asked myself what could be more than this
And if you left me tomorrow, it is all I know I'd miss

But I know
Keep moving with me now
We've seen
The way it's gonna be

If you default to the next in line
What will be will be for me, I'll just bide my time

And I won't regret, won't feel defeat
And it won't make any difference if I'm incomplete

But I know
Keep moving with me now
We've seen
The way it's gonna be
