

The Brat Attack, My Declaration As An Internationalist

I chose not to recognize borders our countries.
Our struggle is one with the global community.
I stand with those who oppose social injustice.
We will not let a invisible line divide us.
Fuck you. Nation state.
Fuck you. Ethnic hate.
Fuck you. Nation state.
Destroy their system.
I reject the divisions based on gender and race.
The empire uses these differences to keep us in our place.
So that a unified front we could never be.
Locally and globally we build this community.
Destroy
