

# The Brat Attack, My Declaration As An Internationalist

I chose not to recognize borders our countries.  
Our struggle is one with the global community.  
I stand with those who oppose social injustice.  
We will not let a invisible line divide us.  
Fuck you. Nation state.  
Fuck you. Ethnic hate.  
Fuck you. Nation state.  
Destroy their system.  
I reject the divisions based on gender and race.  
The empire uses these differences to keep us in our place.  
So that a unified front we could never be.  
Locally and globally we build this community.  
Destroy
