

# The Bravery, Public Service Announcement

All this time I should have known  
One of these days you'd follow me home  
Mess up my room and proceed to tempt me  
And no matter how good I am you learn to resent me, yeah

Stop, drop and roll  
Stop, drop and roll  
Stop, drop and roll you're on fire  
Stop, drop and roll you're on fire

I'm stingy with words  
All binge, no purge  
You put the broke in broken hearted  
You put the " in retarded

Stop, drop and roll  
Stop, drop and roll  
Stop, drop and roll you're on fire  
Stop, drop and roll  
Stop, drop and roll  
Stop, drop and roll you're on fire  
Stop, drop and roll you're on fire

Stop it, drop and roll  
Stop it, drop and roll  
Stop it, drop and roll  
(Stop it, stop it, stop, stop, stop, stop it)  
You're on fire  
Stop, drop and roll  
Stop, drop and roll  
Stop, drop and roll you're on fire  
Stop, drop and roll you're on fire
