

The Bravery, Rat In The Walls

I'm in your head like a rat in the walls
I'm in your head like a rat in the walls
I'm in your head like a rat in the walls
Ohh, Ohh

Every single night when you're lying in bed
You can hear the scratching in the back of your head
I don't know what I did but I'm under your skin
I'm on your mind and you can't get me off

You try to get away, get away, get away
You try to get away, get away, get away
You try to get away, get away, get away
But you keep coming back

I'm in your head like a rat in the walls x3
Ohh, Ohh

Just like a horse coming back to the stable
I know you wanna leave me but you are unable
It's instinct now just like ringing a bell
Pavlov would be proud

You try to get away, get away, get away x3
But you keep coming back

I'm in your head like a rat in the walls x3
Ohh, Ohh
