

# The Brian Jonestown Massacre, Going to hell

I've been out on my own,  
I've been doing real fine.  
I watch you wreck what you can it's crazy cause..  
It seems your out of your mind.  
But you live in a dream,  
And it's not going well.  
There's nobody to help you,  
Cause your living  
In hell.  
Well they say you've been good,  
And some say you've been bad.  
I like to laugh when your happy baby.  
You make me cry when your sad.  
But you live in  
A dream, and it's not going well.  
Superman cannot save you- cause- you're going to  
hell.  
You are going to hell
