

# The Browns, Darlin'

Darlin', dearest darlin'  
Put your arms around me, baby please  
Darlin', dearest darlin'  
Kiss me one more time before you leave

If you must go be on your way  
Before I started beggin' you to stay with me  
I'm gettin' weak from being strong  
First thing that you know  
I'll be down on my knees

Darlin', dearest darlin'  
Always in my heart and in my thoughts  
Darlin', dearest darlin'  
Havin' loved you once I'll never stop...
