

# The Browns, Dear Heart

Dear heart, wish you were here to warm this night  
My dear heart, seems like a year  
Since you've been out of my sight

A single room, a table for one  
It's a lonesome town all right  
But soon I'll kiss you hello at our front door  
And dear heart, I want you to know  
I'll leave your arms, never more

A single room, a table for one  
It's a lonesome town all right  
But soon I'll kiss you hello at our front door  
And dear heart, I want you to know  
I'll leave your arms, never more...
