

# The Buggles, Rainbow Warrior

Run  
Run for shelter  
Hide from the wind  
Further on  
We may help you  
In the end

Sun  
Sun as always  
Will guard where you lay  
And the walls are down  
And the waters down  
Where you stay

Waiting  
Waiting  
Waiting for the Rainbow Warrior

So  
Son of logic  
Boy born of light  
Is the picture drawn  
Is the harvest one  
Step away

Waiting  
Waiting  
Waiting for the Rainbow Warrior
