

# The Business, Hardcore Hooligan

YOUR JUST A HOOLIGAN  
A HARDCORE HOOLIGAN  
YOU'RE JUST A HOOLIGAN  
A HARDCORE HOOLIGAN

They've taken the game out of our pockets  
They're filling theirs up and its time to stop it  
Cost of the tickets has gone through the roof  
Hard to afford we're the living proof  
Football clubs taking the piss  
Boys like you don't put up with this  
All seater grounds the rucking's no more  
But up at the station we'll still have a war
