

The Business, Sabotage The Hunt

Lying in wait they come
Dressed in red of course having fun
Trumpets blow height of their day
Fox will die if they have their way

(Chorus:)

Sabotage <i>(x3)</i> the hunt today
Sabotage <i>(x3)</i> it anyway

Here they come with horse n' hounds
Middle class murders must be blocked
Destruction of wildlife must be stopped

Go near their houses and you'r kicked
Try to stop 'em and you'll be nicked
They're protected by the law
All we do is watch in awe!
