

# The Byrds, 5D (Fifth Dimension)

Oh how is it  
That I could come out to you  
And be still floatin'  
And never hit bottom  
But keep falling through  
Just relaxing and paying attention

All my two-dimensional  
Boundaries were gone  
I had lost to them badly  
I saw that world crumble  
And thought I was dead  
But I found my senses still working

And as I continued  
To drop through the hole  
I found all surrounding  
To show me that joy innocently is  
Just be quiet and feel it around you

And I opened my heart  
To the whole universe  
And I found it was loving  
And I saw the great blunder  
My teachers had made  
Scientific delerium madness

I will keep falling as long as I live  
Ah, without ending  
And I will remember  
The place that is now  
That has ended  
Before the beginning

{Repeat 1st verse}
