The Byrds, Here Without You

Daytime just makes me feel lonely At night I can only dream about you Girl you're on my mind Nearly all of the time It's so hard being here without you

Words in my head keep repeating Things that you said when I was with you And I wonder is it true Do you feel the same way too It's so hard being here without you Being here without you

Though I know it won't last I'll see you someday It seems as though that day will come never But there's one thing I'll swear Though you're far away I'll be thinking about you forever

Streets that I walk on depress me
Ones that were happy when I was with you
Still with all the friends I know
And with all the things I do
It's so hard being here without you
Being here without you
