

# The Calling, When It All Falls Down

Heaven's in your eyes  
And its beggin' me to lie  
Waiting for a little more of those words you wanna hear but  
The silence weighs on me  
And I think it's time to leave  
Before I go, you gotta know why nothing's ever clear  
Said I'm waiting for you, I'm waiting to know you  
But I don't even understand myself  
So don't ask me why

You know I'll have to walk away  
Don't you try to stop and save me  
When it all falls down, when it all falls down  
You know I've tried but I can't change  
So go ahead and blame me  
When it all falls down  
Cos it'll all fall down

In the spider web, I'm trapt by what I've said  
Cos you can see, I'll never be what you really want so  
I'll just hide behind this attitude, dissolve my pride  
It's made the choice to keep your voice from creeping to my inside

Said I'm waitin for you, I'm waitin to know you  
Can't forgive if I won't let you help  
What do you want from me?

You know I'll have to walk away  
Don't you try to stop and save me  
When it all falls down, when it all falls down  
You know I've tried but I can't change  
So go ahead and blame me  
When it all falls down  
Cos it'll all fall down

Even if I tried  
Even if I lied to you  
It wouldn't make it any better  
Well now, even if I lose  
The one that I would choose would be you

Said I'm waitin for you, and I'm waitin to know you  
But I don't even understand myself  
So don't ask me why, don't ask me why

You know I'll have to walk away  
Don't you try to stop and save me  
When it all falls down, when it all falls down  
You know I've tried but I can't change  
So go ahead and blame me  
When it all falls down  
'Cause it'll all fall down

Oh, then oh, when it all falls down  
When it all, when it all falls down  
Oh, yeah, it'll all fall down
