

The Car Is On Fire, Can't Cook

Can't wait until you come next time
Because wasting time with you is so fine
Nothing else occupies my mind
Because lying here with you girl's so damn awesome
Make me feel so long
Don't make me wait for so long
Hey, don't be frightened
All I've got to do is to put love in music, like it was you
All you've got to do is to put love in music, just like we do
