

The Cardigans, Burning Down The House

(feat. Tom Jones)

Fightin' fire with fire

Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
Burning down the house

Hold tight
Wait till the party's over
Hold tight
We're in for nasty weather
There has got to be a way
Burning down the house

Here's your ticket pack your bag
Time for jumpin' overboard
The transportation is here
Close enough but not too far
Maybe you know where you are
Fightin' fire with fire

All wet hey you might need a raincoat
Shakedown dreams walking in broad daylight
Three hundred six-ty five degrees
Burning down the house

It was once upon a place sometimes I listen to myself
Gonna come in first place
People on their way to work baby what did you expect
Gonna burst into flame

Fightin' fire with fire
Fightin' fire with fire
Burning down the house

My house's
Out of the ordinary
That's right
Don't wanna to hurt nobody
Some things sure can sweep me off my feet
Burning down the house

Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
Burning down the house

Three hundred six-ty five degrees
Burning down the house

Fightin' fire with fire
Fightin' fire with fire
Gonna burst it with
Fightin' fire with fire
Fightin' fire with fire
Gonna burst it with
My house

No visible means of support and you have not seen nothin' yet
Everything's stuck together
I don't know what you expect starring into the TV set
Fighting fire with fire

Burning down the house
Burning down the house
