

# The Cardigans, Godspell

i heard about a great big swindle  
i read about it in a book  
the book flew out the window  
was later found by geeks and crooks

now theyre singing hallelujah  
i wondering just what did they find  
they said eh what's it to yah  
just take a place in line

and wait, so i wait  
i wait, and wait and i...

i'n one of a few survivors  
and a drawer labeled lost and found  
though troubled and some deep sea divers  
whos oxygens are pouring out

now maybe if their gods be willin  
they'll give us something to fill our empty cups  
sit down in the boat dont spill it  
or we'll just have to line back up

and wait, so we wait  
we wait and wait yes we wait  
and we wait  
we can wait  
we will wait till we...

guitar solo rawr

you can hear it in the beat they march to  
you can feel the earth shake when they start to dance  
you can tell by the way they move you  
its not murder its an act of faith baby

and as the world moves faster  
whip lashing us around and round  
its quite a slow disaster  
and people keep on falling down

yes we wait, we wait  
and we wait  
we wait  
and we wait  
we wait
