Words: Persson, Svensson

Music: Svensson

You in brown checked suit said my dress was very cute I found you found me dancing in this melody Heavenly!

We were swinging on so nice bubbly pink champagne on ice Nancy, Jacques Closeau and Claire I believe they all were there Having the time of their lives

You had Rose's lime mixed with vodka, I had wine People having fun cocktails in the evening sun Give me one!

We were swinging on so nice bubbly pink champagne on ice Nancy, Jacques Closeau and Claire I believe they all were there Having the time of their lives

La la la do de do de do
