

# The Carpenters, Can't Smile Without You (Album

You know I can't smile without you

I can't smile without you

I can't laugh, and I can't walk

I'm findin' it hard even to talk

And I feel sad when you're sad

I feel glad when you're glad

And you must know what I'm goin' thru

I just can't smile, without you

You came along just like a song

You brightened my day

Who'd believe you were part of a dream

That only seemed light years away

And you know I can't smile without you

I can't smile without you

And you must know what I'm goin' thru

I just can't smile, without you

Some people say the happiness wave

Is somethin' that's hard to find

Into the new leavin' the old behind me

And I feel sad when you're sad

I feel glad when you're glad

And you must know what I'm goin' thru

I just can't smile, without you

And I feel sad when you're sad

I feel glad when you're glad

And you must know what I'm goin' thru

I just can't smile, without you

You must know what I'm goin' thru

I just can't smile, without you
