

The Carpenters, Don't Be Afraid

Love, don't be afraid to love and get love returned
Don't be afraid to tell everyone you're learned
(* That love is a groovy thing
It knows how to make you sing
Ant it fills up your life with sunshine and joy
Don't be afraid to give all you've got to give
One of these days you'll find that's the way to live
And living is what we all were put on this earth to do
So come on and live and be happy

Don't be afraid to love

Repeat (*)

Oh, live and be happy
Don't be afraid to love
Don't be afraid to love
Don't be afraid to love
Don't be afraid to love
