

The Carpenters, When I Fall In Love

(Young / Heyman)

Maybe I'm old fashioned feeling as I do.
Maybe I'm just living in the past,
But when I meet the right one, I know I'll be true.
My first love will be my last.

When I fall in love
It will be forever.
For I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun.

When I give my heart
It will be completely.
For I'll never give my heart.
And the moment I can feel that you fell that way too
Is when I fall in love with you.
