

The Casualties, PunkRock Love

Into a scene full of lies
Met you there, you seemed alright
Gave you love, gave you a heart
All you gave me... Broken Heart
Broken heart - I want it back
Broken heart - I got it back
Oh my love, oh my dear
Loved you dear , oh so dear
Oh my love, oh my dear
Loved you dear , oh so dear
Loved you dear , oh so dear
Loved you dear , oh so dear
Gave you love, gave you a heart
All you gave me ... broken heart
Broken Heart - I want it back
Broken Heart - I got it back
Gave you love, gave you a heart
All you gave me, Broken heart
Gave you love, gave you a heart
All you gave me, Broken heart
Broken Heart - I want it back
Broken Heart - I got it back
