

The Chainsmokers, See You Again (feat. ILLENIUM)

When I see you again, I'll make a phone call
And talk to anyone who picks up
When I see you again, I'll be on guard
Act like it didn't mean that much
When I see you again, I hope you're out with your friends
And you're not thinking about me cause you're happy again
When I see you again
When I see you again

When I see you again, I'll be on guard
When I see you again, I'll be on guard
When I see you again, I'll be on guard
When I see you again, I'll be on guard

When I see you again, I hope you moved on
Don't want to pick up where we left off
When I see you again, I hope you found peace
And you're not looking in the wrong place
When I see you again just like the smoke of your breath
I promise I'll disappear just like your last cigarette
When I see you again
When I see you again

When I see you again
When I see you again
When I see you again
When I see you again
When I see you again
When I see you again
When I see you again
When I see you again

When I see you again, I'll be on guard
When I, when I see you again, I'll be on guard, I'll be on guard

When I see you again, I'll be on guard
When I, when I see you again, I'll be on guard, I'll be on guard
When I see you again, I'll be on guard
When I see you again, I'll be on guard

When I see you again, I'll be on guard
When I see you again, I'll be on guard
