

# The Charlatans, Come Home Baby

Joy, it's such a joy  
Watching this smile on your face  
You love get up at my face  
Working through the solution for you and for me  
Nothing between will it be

Come home baby  
Come home baby  
Kiss me gentle  
A can wait  
No hesitate – lets be together

Word can mean anything  
Watching you step in time  
Living the back days behind  
No-one can take your place  
Maybe a mouth of  
Maybe a mouth of my

Come home baby  
Come home baby  
Kiss me gentle  
A can wait  
No hesitate – lets be together
