

# The Charlie Daniels Band, Southern Boy

"&quot;Southern Boy&quot;"

Well it's easy for a country boy to be misunderstood  
When the honky tonks are jumping and the girls are looking good  
Yeah, I get excited and some people think I'm rude  
It's the way my daddy raised me it's my rebel attitude

CHORUS:

I'm a southern boy  
Southern born and bred  
I've got Sweet Home Alabama buzzing all around in my head  
I'm right at home in Georgia or down in Caroline  
Yeah I'd be happy anywhere below that Mason-Dixon line

A working and a sweating 'til I hear that whistle blow  
Country rock a cooking on my pick-up radio  
I rush home for a shower and put on my dancing shoes  
I get the Friday fever and the Sunday morning blues

I'm a southern boy  
I like a rowdy crowd  
Put Bocephus on the jukebox and turn that sucker way up loud  
Don't need a reservation  
We're just a-having fun  
Yeah it's party time in Dixie  
Ya'll just come on down and get ya some

From Rockingham to Birmingham  
Mobile to New Orleans  
Jacksonville to Copper Hill  
Pike to Bowling Green  
Layfayette to Somerset  
Boone to Rocky Mount  
If you don't live in Dixie then  
You're only camping out

I'm a southern boy  
I say my sirs and ma'ams  
I'm kinda rough around the edges but I'm mighty proud of who I am  
Roll on Mississippi rock on Tennessee  
If it was good enough for Elvis you know it's good enough for me

I said, if it was good enough for Elvis you know it's good enough for me  
Well if the King was crazy 'bout it then you know it's good enough for me
