Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never say die  
Girl Power Girl Power!!

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up cause you come too far  
Girl Power Girl Power!!

(Galleria)

I've made mistakes before but I know I'm not perfect  
But it's okay 'cause who could ever be

(Chanel)

As long as I did my best  
It don't matter what no one says  
'cause deep down in my heart I got the power to make it all happen, yeah

(All)

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never say die

At times I may just feel like  
my back is to the wall,

(Aqua and Dorinda)

I hold my head up high

(Dorinda)

and keep on standin' tall

(Galleria)

I know that my back is covered

(Chanel)

Because we have each other  
and we're down for whatever.  
If you hear me throw your hands up

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never say die  
Girl Power Girl Power!!

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up cause you come too far  
Girl Power Girl Power!!

Sometimes life may get you down  
But you better hold your ground  
Can't nobody live your life but you  
Stay true to who you are  
And always follow your heart  
Your heart, your heart
