Miscellaneous

The Test (With Richard Ashcroft)

Ooooooh

Can you hear me now? (x4)

Yeeeeeeaaahhhhhh

Am I coming through? (x2)

Is it sweet and pure and true?

Devil came by this morning,  
said he had something to show me,  
I was looking like I'd never seen a face before,  
here we go now lets slide in through the open door.

Pictures and things that I've done before,  
circling around me I'm here on the floor,  
I'm dreaming this and I'm dreaming that,  
regretting nothing think about that.

(chorus)

I see waves breaking forms on my horizons,

yeah I'm shining,

I'm seeing waves breaking forms on my horizons,

lord I'm shining,

Oooohhh are you hearing me, like I'm hearing you (x2)

You know I always lost my mind,

I can't explain where I've been,

(x2)

You know I almost lost my mind,

I couldn't explain what I've seen.

Well I'm happy, am I to learn (line may not be right)

too find that the images are fading away.

(chorus)

I see waves breaking forms on my horizons,

yeah I'm shining,

I'm seeing waves breaking forms on my horizons,

lord I'm shining,

Oooohhh are you hearing me, like I'm hearing you (x2)

You know I always lost my mind,

I can't explain where I've been,

You know I almost lost my my mind,

I couldn't explain the things I've seen.

But now I think I see the light (x2)

Lend me a hand,

lend me your hand,

Lend me a hand,

lend me your hand,

Lend me your hand.

(chorus)

I see waves breaking forms on my horizons,

yeah I'm shining,

I'm seeing waves breaking forms on my horizons,

lord I'm shining,

Oooohhh are you hearing me, like I'm hearing you (x2)

You know I always lost my mind,

but now I'm home and I'm free,

Did I pass the acid test? (x6)

Ohhhhhh my my my my my my mind

You'd better go to bed now (x12)

My heart is so damn free,(x2)

You know I always lost my mind,

but now I'm home and I'm free,

Did I pass the acid test? (x10)

Ohhhhhh my my my my my my mind

(fade out)
