

# The Church, Don't Look Back

Sometime up here, watching a cloud  
Funny how they shape your thoughts  
Right out loud  
Some days you laugh  
Some days you cry  
So deep in a night  
It leaves you stranded high and dry  
Keep to yourself, keep it in case  
Keep it when you need it for a pretty smile  
For your face  
Walk out in the sun  
Walk out in the rain  
Keep on walking  
And don't look back here again
