

# The Church, Maya

Where, how did you notice  
Why, what can't you see  
Yeah, if that's all the difference it makes  
Yeah, it makes it all different for me

Now you're lost in this moment  
Now outside of time  
Now, now you remember it all  
Haaa, now that reminds me

Well, what can you do now  
Where everything's done now  
Ehhh, we really need something out there  
Ahhh, this is just Maya to me
