

The Church, Maya

Where, how did you notice
Why, what can't you see
Yeah, if that's all the difference it makes
Yeah, it makes it all different for me

Now you're lost in this moment
Now outside of time
Now, now you remember it all
Haaa, now that reminds me

Well, what can you do now
Where everything's done now
Ehhh, we really need something out there
Ahhh, this is just Maya to me
