

# The Church, The Endless Sea

Oh babe, what a place to be  
In the service of the bourgeoisie  
Where can my believers be  
I want to jump into the endless sea

Ohh, the endless sea (endless)  
Ohh, the endless sea (endless)  
I want to jump into the endless sea (endless)  
Feel it wash all over me

The brother says a dirty sky (endless)  
Full of fumes and liquors (endless)  
A little girl, a little guy (endless)  
This air couldn't get much thicker

Ohh, the endless sea (endless)  
Ohh, the endless sea (endless)  
I want to jump into the endless sea (endless)  
Ohh, the endless sea

And when you die for the red  
You think you're gonna break  
You know you've been good  
It's just a phony undertake

You better go home daddy  
You better go home daddy  
I think you better go home buddy  
You better go home buddy
