

# The Connells, Fun & Games

Let me tear down into your heart  
Let me take a seat and stay awhile  
Let me tear down into your heart  
Ah, fun and games.

Let me steal a glimpse from your eyes  
Let me pin it up and stare awhile  
Let me steal a glimpse from your eyes  
Ah, fun and games.

Let me have a half of your whole  
Let me keep it for myself awhile  
Let me have a half of your whole  
Ah, fun and games.

Let me take the words from your mouth  
Let me swallow them and speak awhile  
Let me take the words from your mouth  
Ah, fun and games.

Well I say  
Didn't I offer less than I lost?  
And hey, hey  
I said hey, hey  
Didn't I mean to find it all?  
And hey, right  
Look, don't let me size it up.  
All and hey, right.

Let me tear down into your heart  
Let me take a seat and stay awhile  
Let me tear down into your heart  
Ah, fun and games.

Let me steal a glimpse from your eyes  
Let me pin it up and stare awhile  
Let me steal a glimpse from your eyes  
Ah, fun and games.

Well I say  
Didn't I offer less than I lost?  
And hey, hey  
I said hey, hey  
Didn't I mean to find it all?  
And hey, right  
Look, don't let me size it up.  
All and hey.
