The Connells, Fun & Games

Let me tear down into your heart Let me take a seat and stay awhile Let me tear down into your heart Ah, fun and games.

Let me steal a glimpse from your eyes Let me pin it up and stare awhile Let me steal a glimpse from your eyes Ah, fun and games.

Let me have a half of your whole Let me keep it for myself awhile Let me have a half of your whole Ah, fun and games.

Let me take the words from your mouth Let me swallow them and speak awhile Let me take the words from your mouth Ah, fun and games.

Well I say
Didn't I offer less than I lost?
And hey, hey
I said hey, hey
Didn't I mean to find it all?
And hey, right
Look, don't let me size it up.
All and hey, right.

Let me tear down into your heart Let me take a seat and stay awhile Let me tear down into your heart Ah, fun and games.

Let me steal a glimpse from your eyes Let me pin it up and stare awhile Let me steal a glimpse from your eyes Ah, fun and games.

Well I say
Didn't I offer less than I lost?
And hey, hey
I said hey, hey
Didn't I mean to find it all?
And hey, right
Look, don't let me size it up.
All and hey.
