The Connells, Inside My Head

Inside my head I hurt a lot 'Cause I'm thinking about me And what I did to you

I can't imagine what I have lost I'm not bold enough to be Man enough for you

Chorus:

There's no way to save The dream that's dead The water has passed beneath us On a bridge reaching down fro you.

Would you have been a movie star Or would you have been like me Nothing but a fool

I can cry and hide and pray a lot But there's nothing I can do To save the dream for me

(repeat chorus)

(repeat first verse)

My home is just not big enough To start a life for three But I wish I could for you
