

The Cooper Temple Clause, House Of Cards

Turn off this fire
Switch off the lights
It's time to retire
It's no time to fight
This house is in pieces
I never saw it falling
It was such a beautiful thing

What does it matter now
You'll never come home
What does it matter now
You'll never come home with me again
Not now

I burst the bubbles
And I broke you're heart
It seems I'm in trouble
Let's go back to the start
Cos all I want is you
And all I have is wrong
And just to have you in the place where you belong

You understand me when I don't even understand myself

What does it matter now
You'll never come home
