

# The Coral, Cripples Crown

Unopened door  
On the 13th floor  
Conspiracy in the corridors

I'll take you down  
Down to cripples crown

What should you say?  
What can you do?  
Satellites are watching you

I'll take you down  
Down to cripples crown  
I'll take you down  
Down to cripples crown

At this dark hour  
Who'll be there?

Open the door  
If you dare  
Venus fly trap on the stairs

I'll take you down  
Down to cripples crown

There'll be no time  
There'll be no tears  
The elevator disappears

I'll take you down  
Down to cripples crown  
I'll take you down  
Down to cripples crown

Cripples crown  
Cripples crown
