

# The Coral, Goodbye

I, I look into her eyes  
Saw through her disguise  
But never realised  
That we were longing to be free  
Runaway to sea  
Well that could never be

Goodbye don't say goodbye  
I'd rather die  
Than say goodbye

Once so very long ago  
Was when I loved you so  
If only I had known  
That I was blinded by my fate  
I traded love for hate  
Now I just sit and wait

Goodbye don't say goodbye  
I'd rather die  
Than say goodbye

Goodbye don't say goodbye  
I'd rather die  
Than say goodbye

Goodbye don't say goodbye  
I'd rather die  
Than say goodbye
