

The Coral, The Ballad Of Simon Diamond

Simon Diamond sold his soul
Changed his name by deed poll
Started out as Simon Russell
Lived his life inside a nutshell

Oooh oooh Ooooooh Ooooooh

He couldn't take the public scorn
Changed from human to plant form
Now he swapped his legs for roots
His arms and soil are in cahoots

Oooh oooh Ooooooh Ooooooh

What will become of Simon Diamond
Water himself
Can't change the climat
What will become of Simon Diamond
Water himself
Can't change the climat

Oooh oooh Ooooooh Ooooooh

That'll do (That'll do) (16x)
Oooh Oooh
