

The Corrs, All The Love In The World

(Background/ Chorus)

(Hey...)

Don't want to wake up alone anymore (more...)

Still believing you'll walk through my door~

All I need is to know it's for sure~

Then I'll give~ all the love in the world

I'm not looking for someone to talk to

I've got my friends, I'm more than okay

I've got more than a girl could wish for

I live my dreams, but it's not all they say

Still I believe

(Background)

(I'm missing...)

I'm missing something real~

I need someone who really sees me~~

(Background/ Chorus)

(Don't want to wake...)

Don't want to wake up alone anymore

Still believing you'll walk through my door

All I need is to know it's for sure

Then I'll give~ all the love in the world

I've often wondered, if love's an illusion

Just to get you through, the loneliest days

I can't criticize it, I had no hesitations

My imagination, just stole me away

(Background)

(But still...)

But still I believe

(Background)

(I'm missing...)

I'm missing something real

I need someone who really sees me~~

(Background/ Chorus)

(Don't want to wake...)

Don't want to wake up alone anymore

Still believing you'll walk through my door

All I need is to know it's for sure

Then I'll give~ all the love in the world

Love's for a lifetime

Not for a moment

So how could i throw it away (yeah...)

I'm only human

And nights grow colder

With no one to love me that wa-a-ay (yea-ah)

I need someone who real-ly sees me

(Background/ Chorus)

(Don't want to wake...)

And I won't wake up alone anymore

Still believing you'll walk through my door

You'll reach for me and I'll know it's for, sure

Then I'll give~ all the love in the world

(Background)

Don't wanna wake up alone anymore (more...)

Still believing you'll walk through my door (door...)

Don't wanna wake up alone anymore...

(Fade)
