

# The Corrs, At Your Side

When the daylight's gone  
And you're on your own  
And you need a friend  
Just to be around

I will comfort you  
I will take your hand  
And I'll pull you through  
I will understand

And you know that?  
I'll be at your side  
There's no need to worry  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
When you feel like you're alone  
And you've nowhere to turn  
I'll be at your side

If life's standing still  
And your soul's confused  
And you cannot find  
What road to choose

If you make mistakes (make mistakes)  
You won't let me down (let me down)  
I will still believe (still believe)  
I won't turn around

And you know that?  
I'll be at your side  
There's no need to worry  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
If you feel like you're alone (feel like you...)  
And you've nowhere to turn

(Side?  
I'll be at your side  
(I'll be, I'll be at your side)  
I'll be at your side  
(I'll be, I'll be at your side)  
(I'll be at your side)

I'll be at your side  
There's no need to worry  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
If you feel like you're alone (feel like you?)  
You've got someone to go (somewhere to go?)  
'Cos I'm at your side
