

# The Corrs, Love To Love You

I would love to love you like you do me  
I'd love to love you like you do me  
There's a pillar in my way you see  
I'd love to love you like you do me

I met you on a sunny Autumn day  
You instantly attracted me when asking for the way  
God if I had known the pain I'd make you feel  
I would have stopped this start of us, and turned upon my heel

Though you should leave me  
Time make it be alright  
Though you must leave me  
Time will help you see the light  
You don't need me  
Time make it be alright  
Though you must leave me  
Believe me when I tell you..

(Chorus)

You recognised my barrier to love  
I know there's nothing worse than unrequited love (unrequited love)  
So I prayed to God that I could give the love you gave to me  
But something's lying in my way, preventing it to be

Though you should leave me  
Time make it be alright  
Though you must leave me  
Believe me when I tell you

(Chorus)

(Chorus)

Break those pillars down  
Break those pillars down  
Take those pillars down, down, down  
Oh, take those pillars down

(Love to love you like you do me)  
Break those pillars down  
(Love to love you like you do me)  
Oh take those pillars down  
(Love to love you)  
(Love to love you)  
(Love to love you)  
Take those pillars down  
(Love to love you)
